Please note-all time slots above are subject to change

Companies that are accepted for a CMHC Professional Medical Education (PME) will receive the following support from the CMHC:

- Active, direct recruitment by the CMHC
- Listings in the CMHC program brochure, CMHC website, Event App and in the CMHC Conference Guide
- Insert in each attendee bag; companies must provide inserts to the CMHC
- Audiovisual equipment and set up - including an LCD projector, laptop, large screen to fit the room, amplification system, riser, and lectern - at no extra charge
- Preset ballroom in close proximity to congress events
- Signage outside/around the PME Area
- Push notifications via the Event App

The PME sponsor is solely responsible for content development and program logistics, including food and beverage arrangements and payment, faculty logistics, honoraria, and expenses, as well as developing, producing, and distributing any meeting materials unless otherwise noted in contract. The PME sponsor is also responsible for onsite staffing and management of this event.
