From Metabolic Syndrome to Cardiometabolic Risk...

Cardiometabolic Health Congress ²⁰⁰⁷

September 26–29, 2007 · Sheraton Boston Hotel · Boston, MA

www.cardiometabolichealth.org

Dyslipidemia

Obesity

Hypertension

Insulin Resistance

Inflammation

Type 2 Diabetes

WELCOME TO THE 2007 CARDIOMETABOLIC HEALTH CONGRESS

Welcome to the 2007 Cardiometabolic Health Congress. We are pleased that you have joined us for one of the most productive and influential educational opportunities available focusing solely on cardiometabolic risk management.

Over the next three days, the 2007 Cardiometabolic Health Congress will translate the latest clinical data and research into practical and effective approaches to identify and manage the approximately 25% of the US population at increased cardiometabolic risk. Our mission is to provide an interactive educational forum designed to improve outcomes through early identification and intervention strategies for patients with, or at risk of developing, diabetes and cardiovascular disease.

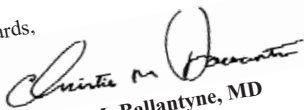

Enclosed you will find information regarding the 2007 Cardiometabolic Health Congress, including our schedule of events, faculty, symposia and meal functions, association supporters, industry supporters and sponsors, and exhibit hall.

Should you require assistance during your stay, please do not hesitate to visit the 2007 Cardiometabolic Health Congress hospitality desk located outside the general session rooms.

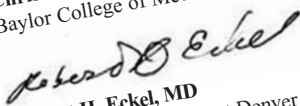

We look forward to your participation.

Enjoy your stay in Boston!

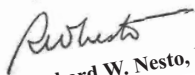

Best regards,

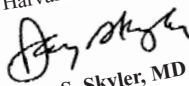

Christie M. Ballantyne, MD

GENERAL INFORMATION

2007 CARDIOMETABOLIC HEALTH CONGRESS

Hours

Wednesday, September 26, 2007	6:30am – 8:30pm
Thursday, September 27, 2007	6:30am – 8:30pm
Friday, September 28, 2007	6:30am – 8:00pm
Saturday, September 29, 2007	6:30am – 1:00pm

EXHIBIT HALL

Hours

Thursday, September 27, 2007	10:00am – 6:30pm
Friday, September 28, 2007	9:30am – 4:00pm
Saturday, September 29, 2007	9:00am – 12:00pm

WELCOME RECEPTION

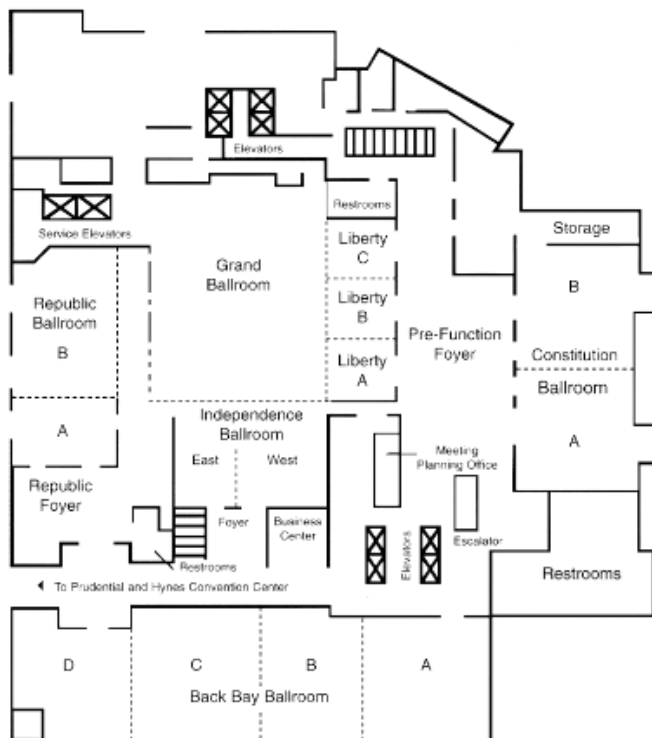

Sponsored by sanofi aventis

Thursday, September 27, 2007	5:00pm – 6:30pm
------------------------------	-----------------

The Welcome Reception will take place on the Plaza Level of the Hynes Convention Center in Exhibit Hall A.

FLOOR PLAN

2007 CARDIOMETABOLIC HEALTH CONGRESS
September 26–29, 2007
Sheraton Boston Hotel • Boston, MA

FLOOR PLAN

ACCREDITATION INFORMATION

PROGRAM OVERVIEW

Patients presenting with multiple cardiometabolic risk factors (including insulin resistance, dyslipidemia, obesity, hypertension, microalbuminuria, increased inflammation, and oxidative stress) have triple the risk of experiencing a myocardial infarction and/or stroke and double the risk of mortality from these conditions. In addition, their risk of developing type 2 diabetes, if not already present, is fivefold.

The 2007 Cardiometabolic Health Congress will translate the latest clinical data and research into practical and effective approaches to identify and manage the approximately 25% of the US population at increased cardiometabolic risk. The goal of the congress is to improve outcomes through early identification and intervention strategies for patients with, or at risk of developing, diabetes and cardiovascular disease.

LEARNING OBJECTIVES

At the conclusion of this event, participants will be able to:

- Evaluate and integrate current and emerging therapies and treatment regimens into clinical practice
- Determine the most advantageous clinical and therapeutic strategies, based on patient co-morbidities and risk factors, for reducing cardiovascular risk
- Integrate successful programs into clinical practice that promote patient compliance to medical therapies and lifestyle modification

TARGET AUDIENCE

Clinicians responsible for the prevention and management of diabetes and cardiovascular disease – with the goal of reducing cardiovascular risk and related cardiometabolic complications

Save-the-Date

2008 Cardiometabolic Health Congress

October 15–18, 2008

Sheraton Boston Hotel, Boston, MA

ACCREDITATION INFORMATION

ACCME ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of Medical Education Collaborative, Inc. (MEC), and HealthScience Media, Inc. MEC is accredited by the ACCME to provide continuing medical education for physicians.

Medical Education Collaborative designates this educational activity for a maximum of 30.25 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

ANCC ACCREDITATION STATEMENT

Medical Education Collaborative (MEC) is the accredited provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

RNs, LPNs, LVNs, and NPs can receive up to 30.2 contact hours for participation in this program. This program is cosponsored with Medical Education Collaborative, Inc. (MEC), and HealthScience Media, Inc. Provider approved by the California Board of Registered Nursing, Provider Number CEP 12990, for 36.2 contact hour(s).

ACPE ACCREDITATION STATEMENT

30.25 contact hours (3.025 CEUs) of credit for pharmacists. Approval of this course for pharmacists is under a cosponsorship agreement between Medical Education Collaborative, Inc. (MEC), and HealthScience Media, Inc. MEC is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. ACPE #: 815-999-07-050-L01. The program is designed for all pharmacists.

CDR ACCREDITATION STATEMENT

Medical Education Collaborative is a Continuing Professional Education (CPE) Accredited Provider with the Commission on Dietetic Registration (CDR). Registered dietitians (RDs) and dietetic technicians, registered (DTRs) will receive 30.25 continuing professional education units (CPEUs) for completion of this program/material.

HOW TO OBTAIN YOUR CE CREDIT

To obtain CE credit, please return your completed 2007 Cardiometabolic Health Congress evaluation form to HealthScience Media, Inc.

On-site: Please return your completed evaluation form to the evaluation drop box outside the general session room.

Post-conference: Please fax your completed evaluation form to 866.218.9168. Forms must be received by October 12, 2007.

Certificates will be mailed directly to the address indicated on your evaluation form within eight (8) weeks of the date of submission.

SCHEDULE-AT-A-GLANCE

Wednesday, September 26, 2007

6:30pm – 8:30pm | Dinner Symposium | Grand Ballroom

Thursday, September 27, 2007

6:30 am – 8:00 am	Breakfast Symposium	Constitution Ballroom
8:00 am – 10:15 am	General Session	Grand Ballroom
10:15 am – 10:45 am	Morning Break / Exhibit Hall	Hynes Convention Center
10:45 am – 12:30 pm	General Session	Grand Ballroom
12:30 pm – 1:45 pm	Lunch Symposium A	Constitution Ballroom
12:30 pm – 1:45 pm	Lunch Symposium B	Back Bay Ballrooms A/B

PROGRAM SCHEDULE

Wednesday, September 26, 2007

2:00pm – 6:00pm

Registration

6:30pm – 8:30pm

DINNER SYMPOSIUM

Prandial Insulin and Cardiovascular Risk

Presenters: Lawrence Blonde, MD;

William Cefalu, MD; John Gerich, MD

Thursday, September 27, 2007

6:30am – 8:00am

BREAKFAST SYMPOSIUM

Cardiometabolic Risk Reduction: Novel Strategies for Achieving Lipid and Glycemic Targets

Presenters: David Cohen, MD;

Zachary Bloomgarden, MD; Om Ganda, MD

8:00am – 8:15am

Opening Remarks

Jay Skyler, MD

8:15am – 8:45am

KEYNOTE PRESENTATION

The Science Behind Insulin Resistance and Its Impact on Cardiometabolic Risk

C. Ronald Kahn, MD

8:45am – 9:15am

Pharmacotherapy for the Management of Type 2 Diabetes

Martin Abrahamson, MD

9:15am – 9:45am

Exercise as an Intervention to Reduce Cardiovascular Risk in Patients with Diabetes

Ronald Sigal, MD

9:45am – 10:15am

Nutritional Interventions to Reduce Cardiometabolic Risk

Judith Wylie-Rosett, EdD, RD

10:15am – 10:45am

MORNING BREAK / EXHIBIT HALL

10:45am – 11:15am

Type 2 Diabetes: Interdicting Disease Progression

Bernard Zinman, MD

11:15am – 11:45am

Preventing the Progression of Atherosclerosis in Type 2 Diabetes

Henry Ginsberg, MD

PROGRAM SCHEDULE

Thursday, Sept. 27, 2007, *continued*

11:45am – 12:30pm	<p>Diabetes Prevention: Does It Work? Is It Worthwhile? <i>Moderator: Jay Skyler, MD</i> <i>Panelists: Hertzell Gerstein, MD; Richard Kahn, PhD; Larry Leiter, MD; Richard Nesto, MD</i></p>
12:30pm – 1:45pm	<p><u>LUNCH SYMPOSIA</u> Cardiometabolic Risk Management: The Role of Insulin Therapy in Achieving Glycemic Control <i>Presenters: Paresh Dandona, MBBS; Jack Leahy, MD; Richard Nesto, MD</i></p>
12:30pm – 1:45pm	<p>Advances in Hypertension Management: The Role of Direct Renin Inhibition in Achieving Blood Pressure Control <i>Presenters: Alan Gradman, MD; Kenneth Jamerson, MD; Matthew Weir, MD</i></p>
2:00pm – 2:30pm	<p>Physiologic Mechanisms of Obesity <i>Samuel Klein, MD</i></p>
2:30pm – 3:00pm	<p>Is It Visceral or Ectopic Fat Deposition, or Is It Both? <i>Kitt Falk Petersen, MD</i></p>
3:00pm – 3:30pm	<p>AFTERNOON BREAK / EXHIBIT HALL</p>
3:30pm – 4:00pm	<p>Effects of Adipose Tissue-Derived Cytokines on Cardiovascular Function and Structure <i>Gökhan Hotamisligil, MD, PhD</i></p>
4:00pm – 4:30pm	<p>Pharmacotherapy for Obesity Management: Current Practice and Future Directions <i>Louis Aronne, MD</i></p>
4:30pm – 5:00pm	<p>Bariatric Surgery: Patient Selection, Procedure Options, and Outcomes <i>Matthew Hutter, MD</i></p>
5:00pm	<p>Closing Remarks <i>Richard Nesto, MD</i></p>
5:00pm – 6:30pm	<p>Welcome Reception</p>
6:30pm – 8:30pm	<p><u>DINNER SYMPOSIUM</u> Emerging Concepts in Obesity Management: Integrated Neurohormonal Therapy <i>Presenters: Henry Ginsberg, MD; Michael Schwartz, MD; Steven Smith, MD</i></p>

PROGRAM SCHEDULE

Friday, September 28, 2007

PROGRAM SCHEDULE

6:30am – 8:00am	<u>BREAKFAST SYMPOSIA</u> Expert Roundtable: Emerging Concepts in Cardiometabolic Risk Management <i>Christie Ballantyne, MD; Thomas Giles, MD; Steven Haffner, MD; Daniel Rader, MD</i>
6:30am – 8:00am	Cardiometabolic Risk Reduction: The Role of New Generation Beta-Blockade in Achieving Hypertension Control <i>Presenters: George Bakris, MD; Gary Gibbons, MD; R. Preston Mason, PhD</i>
8:00am – 8:15am	Opening Remarks <i>Christie Ballantyne, MD</i>
8:15am – 8:45am	<u>KEYNOTE PRESENTATION</u> Atherosclerosis in Patients with Cardiometabolic Risk: New Findings Regarding Inflammation and Neovascularization <i>Valentin Fuster, MD, PhD</i>
8:45am – 9:15am	Diabetes and Atherosclerosis: Defining the Link and Opportunities for Intervention <i>Jorge Plutzky, MD</i>
9:15am – 9:45am	Biomarkers and Noninvasive Imaging: Useful, Hopeful, or Hype? <i>Christie Ballantyne, MD</i>
9:45am – 10:15am	MORNING BREAK / EXHIBIT HALL
10:15am – 10:45am	Risk Assessment Models to Predict Multiple Cardiometabolic Risk Factors <i>Peter Wilson, MD</i>
10:45am – 11:15am	Hypertension Management in Patients with Diabetes and Cardiovascular Disease <i>George Bakris, MD</i>
11:15am – 11:45am	Antithrombotics for Patients with Increased Cardiometabolic Risk: What Do We Use and for How Long? <i>Deepak Bhatt, MD</i>

Friday, Sept. 28, 2007, *continued*

	<u>LUNCH SYMPOSIA</u>
11:45am – 1:00pm	The Role of the Endocannabinoid System in the Management of Cardiometabolic Risk <i>Presenters: Louis Aronne, MD; Deepak Bhatt, MD; Robert Eckel, MD</i>
11:45am – 1:00pm	Cardiovascular Risk Reduction: Controlling Dyslipidemia in Patients with Type 2 Diabetes <i>Presenters: Henry Ginsberg, MD; Ronald Goldberg, MD; Michael Welch, MD</i>
1:15pm – 2:15pm	Dyslipidemia: Controversies and Difficulties in Lipid Management <i>Moderator: Robert Eckel, MD</i> <i>Panelists: Christie Ballantyne, MD; Henry Ginsberg, MD; Ronald Goldberg, MD; Daniel Rader, MD</i>
2:15pm – 2:45pm	Lipid Management in Children with Type 1 or Type 2 Diabetes <i>Larry Dolan, MD</i>
2:45pm – 3:15pm	AFTERNOON BREAK / EXHIBIT HALL
3:15pm – 3:45pm	Glycemic Control in Children with Type 1 or Type 2 Diabetes <i>Sonia Caprio, MD</i>
3:45pm – 4:15pm	Butting Out: Novel Smoking Cessation Strategies to Reduce Cardiometabolic Risk <i>David Gonzales, PhD</i>
4:15pm – 5:15pm	Cardiometabolic Risk Management in High-Risk Populations: Medical Management and Lifestyle Modification Strategies <i>Presenters: John Foreyt, PhD; Nancy Houston Miller, RN, BSN; Scott Urquhart, PA-C</i>
5:15pm	Closing Remarks <i>Christie Ballantyne, MD</i>
6:00pm – 8:00pm	<u>DINNER SYMPOSIUM</u> Reducing Residual Cardiovascular Risk by Lowering Triglycerides and Raising HDL-C <i>Presenters: Christie Ballantyne, MD; Jorge Plutzky, MD; Frank Sacks, MD</i>

PROGRAM SCHEDULE

Saturday, September 29, 2007

6:30am – 8:00am	<u>BREAKFAST SYMPOSIUM</u> Beyond Hypertension Control: The Role of ARBs in the Management of Cardiometabolic Risk <i>Presenters: Thomas Giles, MD; Byron Hoogwerf, MD; Willa Hsueh, MD</i>
8:00am – 8:15am	Opening Remarks <i>Robert Eckel, MD</i>
8:15am – 8:45am	The Impact of Personalized Medicine on the Management of the Obese Patient with Multiple Cardiometabolic Risk Factors <i>Allen Spiegel, MD</i>
8:45am – 9:30am	Early Kidney Disease: The Underappreciated Cardiometabolic Risk Factor <i>Robert Toto, MD</i>
9:30am – 10:00am	The Influence of Genetics on Hypertension and Cardiometabolic Risk Management: Current Strategies and Future Directions <i>Richard Lifton, MD</i>
10:00am – 10:30am	MORNING BREAK / EXHIBIT HALL
10:30am – 11:00am	Appropriate Revascularization in Patients with Diabetes and Cardiovascular Disease <i>Richard Nesto, MD</i>
11:00am – 12:00pm	Expert Roundtable: Evaluating Clinical Trial Evidence <i>Moderator: Richard Nesto, MD</i> <i>Presenters: Christie Ballantyne, MD; Robert Eckel, MD; Steven Haffner, MD</i>
12:00pm – 1:00pm	<u>LUNCH SYMPOSIUM</u> Establishing the Relationship Between Erectile Dysfunction and Cardiometabolic Risk: Opportunities for Screening and Early Intervention to Improve Patient Care <i>Presenters: Andrew McCullough, MD; R. Parker Ward, MD</i>
1:00pm	Closing Remarks <i>Robert Eckel, MD</i>

SYMPOSIA SCHEDULE

Wednesday, September 26, 2007

6:30pm – 8:30pm

DINNER SYMPOSIUM

Prandial Insulin and Cardiovascular Risk

Presenters: Lawrence Blonde, MD; William Cefalu, MD; John Gerich, MD

Supported by an educational grant from Pfizer

Thursday, September 27, 2007

6:30am – 8:00am

BREAKFAST SYMPOSIUM

Cardiometabolic Risk Reduction: Novel Strategies for Achieving Lipid and Glycemic Targets

Presenters: Zachary Bloomgarden, MD;

David Cohen, MD; Om Ganda, MD

Supported by an educational grant from Daiichi-Sankyo

12:30pm – 1:45pm

LUNCH SYMPOSIA

Cardiometabolic Risk Management: The Role of Insulin Therapy in Achieving Glycemic Control

Presenters: Paresch Dandona, MBBS; Jack Leahy, MD; Richard Nesto, MD

Supported by an educational grant from sanofi-aventis

12:30pm – 1:45pm

Advances in Hypertension Management: The Role of Direct Renin Inhibition in Achieving Blood Pressure Control

Presenters: Alan Gradman, MD;

Kenneth Jamerson, MD; Matthew Weir, MD

Supported by an educational grant from Novartis

6:30pm – 8:30pm

DINNER SYMPOSIUM

Emerging Concepts in Obesity Management: Integrated Neurohormonal Therapy

Presenters: Henry Ginsberg, MD;

Michael Schwartz, MD; Steven Smith, MD

Supported by an educational grant from Amylin

Friday, September 28, 2007

6:30am – 8:00am

BREAKFAST SYMPOSIA

**Expert Roundtable: Emerging Concepts in
Cardiometabolic Risk Management**

Presenters: Christie Ballantyne, MD;

Thomas Giles, MD; Steven Haffner, MD; Daniel Rader, MD

Supported by an educational grant from Merck

6:30am – 8:00am

**Cardiometabolic Risk Reduction:
The Role of New Generation Beta-Blockade in
Achieving Hypertension Control**

Presenters: George Bakris, MD; Gary Gibbons, MD; R. Preston Mason, PhD

Supported by an educational grant from Forest Laboratories, Inc.

11:45am – 1:00pm

LUNCH SYMPOSIA

**The Role of the Endocannabinoid System in the
Management of Cardiometabolic Risk**

Presenters: Louis Aronne, MD; Deepak Bhatt, MD; Robert Eckel, MD

Supported by an educational grant from sanofi-aventis

11:45am – 1:00pm

**Cardiovascular Risk Reduction: Controlling
Dyslipidemia in Patients with Type 2 Diabetes**

Presenters: Henry Ginsberg, MD; Ronald Goldberg, MD; Michael Welch, MD

Supported by an educational grant from Pfizer

6:00pm – 8:00pm

DINNER SYMPOSIUM

**Reducing Residual Cardiovascular Risk by Lowering
Triglycerides and Raising HDL-C**

Presenters: Christie Ballantyne, MD; Jorge Plutzky, MD; Frank Sacks, MD

Supported by an educational grant from Abbott

Saturday, September 29, 2007

6:30am – 8:00am

BREAKFAST SYMPOSIUM

**Beyond Hypertension Control: The Role of ARBs
in the Management of Cardiometabolic Risk**

Presenters: Thomas Giles, MD; Byron Hoogwerf, MD; Willa Hsueh, MD

Supported by an educational grant from Boehringer Ingelheim

12:00pm – 1:00pm

LUNCH SYMPOSIUM

**Establishing the Relationship Between
Erectile Dysfunction and Cardiometabolic Risk:
Opportunities for Screening and Early Intervention
to Improve Patient Care**

Presenters: Andrew McCullough, MD; R. Parker Ward, MD

Supported by an educational grant from Pfizer

The American Diabetes Association is the nation's leading nonprofit health organization providing diabetes research, information and advocacy. The mission of the American Diabetes Association is to prevent and cure diabetes and to improve the lives of all people affected by diabetes. The Association's primary prevention program, CheckUp America, focuses on cardiometabolic risk factor reduction and provides information and resources to both healthcare professionals and people at risk for type 2 diabetes and heart disease.
